Thank you for coming!
This menu is ugly
She's still complaining
The pictures suck
It pisses me off

What a tiny store!
How old is this building?
Ah!
Welcome!
ぶっ
It's a purse
I love your doll!
Where did you buy it?
Oh
A Spitting Witch
She won't stop complaining
All of the staff wear weird costumes
It's nothing like the pictures on the internet

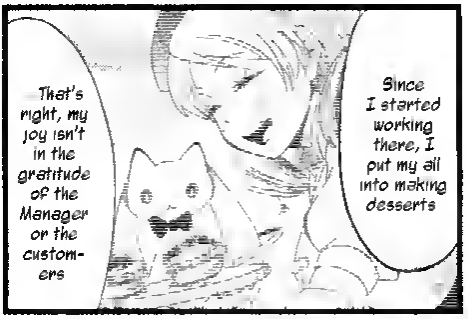
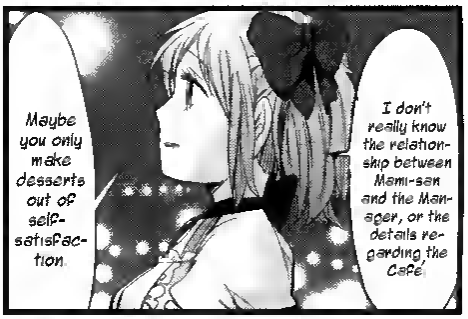
The Truth



Since I started working there, I put my all into making desserts
That's right, my joy isn't in the gratitude of the Manager or the customers



I don't really know the relationship between Mami-san and the Manager, or the details regarding the Café
Maybe you only make desserts out of self-satisfaction

COSPLAY is a disturbance
You over there, why are you dressed like this out here at night
Ahhhh, sorry, we're going!
Where are your parents or guardians?
